The screenshot shows the Cloudant dashboard interface. The browser address bar displays the URL: `7558c5bc-8868-4a99-a9d8-9bd741c514e3-bluemix.cloudant.com/dashboard.html#/database/warehouse/_all_docs`. The dashboard title is "warehouse". On the left sidebar, there are links for "All Documents", "Query", "Permissions", "Changes", and "Design Documents". The main content area shows a table view of documents. The table has three columns: "id", "key", and "value". There is one document listed with the following details:

| id | key | value |
|-----|-----|--|
| bag | bag | { "rev": "1-3bc475618c2b3fbb4d80c4..." } |

At the bottom of the dashboard, it says "Showing document 1 - 1. Documents per page: 20". The Windows taskbar at the bottom shows the time as 9:20 PM on 11/11/2022.
